One Another

Welcome Guests!

We're glad that you are here! Please fill out a Welcome Visitor card and place in the collection plate. Go by our welcome/information center (one on each side of the room) for materials that will better acquaint you with Lakeview.

For your convenience, during our Sunday morning services we do have a volunteer staffed nursery, for children up to age 4. There is also a training room, located next to the sound room, for parents with young children to use during any service.

If you have questions, feel free to approach one of our ushers, ministers, or elders.

AM: A Christmas You've Probably Never Heard of - Revelation 12:13-17

Keep your nativity scene boxed up this year. Instead of a manger, camel, and three wise men; replace them with a dragon, a river, the earth and a woman refugee. The birth of Christ is a maneuver in the middle of an immortal epoch between God and Satan. Gird your loins. Prepare for battle. Go watch *The Hobbit* to get in the right frame of mind as we explore Revelation 12 and the birth of Christ.

PM: Bargaining with God - Judges 11:29-40

Jephthah is, in every way, a self-made man. Rough around the edges. Perhaps gruff and short tempered, but everything he has, he has accomplished. As a *self made man* he bargains with God to ensure victory in battle, but the consequences of that deal are unspeakably difficult.

It is one of the best-known stories in the Bible. A man named Jonah was swallowed by a giant fish. It is so dramatic and vivid that it is easy to miss the main points of the story. There are three lessons that stand out to me from Jonah's story.

1. Stop running from God.

That was how Jonah ended up in the belly of a large fish. God had something for Jonah to do and he ran from his responsibility. God pursued

Jonah until he got his attention. You may be running from God's call in your life. You may be one who has never made the decision to follow Jesus. You may know he died for your sins, and you may believe that God raised him from the dead. But you have never acted on that reality. Stop running from God. Surrender your life and your will to him.

2. **God wants everyone to know him.** God asked Jonah, one of his followers, to go to the city of Nineveh. This city was populated by a different race of people than Jonah and was a city that did not follow God. But God desired for the people of that city to come to him. God still wants all men everywhere to know him and to be in relationship with him. If you have wondered if God loves you and seeks you... then I can assure you that he does. Just as He sought the people of Nineveh.

3. **God is a God of second chances.** Jonah did repent and go preach the truth about God in Nineveh. The people of Nineveh believed that message and turned to God. God acts in love to bring people to himself.

If you have been running from God, if you want a relationship with him but worry that it is too late, or if you wonder whether or not you have run out of chances, then I have good news for you. Remember the story of Jonah.
