Welcome Guests!

We're glad that you are here! Please fill out a Welcome Visitor card and place in the collection plate. Go by our welcome/information center (one on each side of the room) for materials that will better acquaint you with Lakeview.

For your convenience, during our Sunday morning services we do have a volunteer staffed nursery, for children up to age 3. There is also a training room, located next to the sound room, for parents with young children to use during any service.

If you have questions, feel free to approach one of our ushers, ministers, or elders.

1THESSALONIANS 5:16-18

Spiritual growth of believers is the goal of the New Testament Church. The church as a whole should be fulfilling the Great Commission of making disciples by baptizing and teaching. That means that individual activity should contribute to the goal. If we are Christians, we are already saved. What follows is the process that unfolds in the life of the growing disciple. As we grow as individuals, we should keep these four truths in mind:

Growth is possible.

Every believer has an opportunity and potential to experience spiritual growth. God wants to mature all believers. No one is left out of that plan. If someone is not growing spiritually, there is a reason.

People are responsible for their spiritual growth.

Individuals may accomplish different functions of leadership and teaching in the Body of Christ, but ultimately the believer holds the responsibility of their own growth. The responsibility of the leadership and teachers is to create an atmosphere where growth can occur.

Growth occurs best in community.

Many have expressed that significant spiritual growth happened in the context where people are engaged in committed, healthy and intentional relationships with other believers wanting to mature. Iron does sharpen iron. Disciples make disciples. If you want to grow spiritually, consider who should be on your team or group committed to making disciples.

Having a personal desire for spiritual growth is the key.

When a person gets excited about his or her personal walk with Christ, they will want to get to know Christ better. The more they know Christ the more they will want to be like Him. Jesus said the person who hungers and thirsts for righteousness will be filled. Be ready to share your story to inspire others.

While these principles reflect biblical truth, they are not a magic formula, but simply a guide that sets out a strategy to follow. If we aim high, we will certainly be close to this goal which for many is far off, but definitely preferable.

Each One Serves - 1 Corinthians 12:4-11

Cardiac Arrest is the medical definition but you and I know it as a heart attack. It's weird that you and I have a part of our body that we don't see, we don't think about, we don't actively direct, and, until modern medical science, we knew very little about. Yet this hidden, unknown body part silently faithfully plods along. When it doesn't, the body has a big problem. Paul uses this metaphor of the body to describe the church, and yes, the church has many members who are very visible, well known, and understood. They are no more important than the hidden ones. This morning we will talk about how God supplies all the parts in the body to contribute to it's function, including you. Let's build a healthy church together.

When Your Only Option Is To Look Up – Habakkuk 3

What happens when the solution that God offers goes against everything you have determined to be right? Because I don't always understand the ways of God, I have to look for the place where wills collide and do some serious soul searching.

Closing on the Lakeview bond issue has been completed!

This exciting news means that we are officially authorized to begin discussions with our contractor to implement the construction of our new building addition. Our architect has been asked to arrange a meeting with the contractor and we hope that very soon we will be able to confirm a construction start date, which could be as soon as the 1st of December. We'll do our best to keep you informed, but don't hesitate to talk to any one of our elders if you have questions.
