As I mentioned, we received the new 30-Day Bible Reading Challenge material. Last week, we began on the first Old Testament Challenge. Currently we are reading Ezra through Song of Solomon. Esther and Nehemiah have been particularly engaging. The goal with the 30-Day Challenge is to get Lakeview deeply involved in God's Living Word.

The teacher Paul uses a phrase that instructs us on our relationship to God's Word. In Colossians 3:16, he says, "Let the word of Christ dwell in you richly." This phrase has always tested and enthused and comforted me. "Dwell in you richly." Of course that's what God wants! I'm not a computer hard drive whose purpose it is to collect more and more data. I'm not a student hoping against hope to get all the answers right on the final exam. I'm a member of God's household, and I get to learn with my brothers and sisters what God's word, through the prophets and the apostles is, and to ask God to make that word go down deeply and effectively, down to a place where it won't get blown away by the winds of today's concerns. I can ask God to make it take root there, so it will dwell there, and nobody can take it away. It will not lie dormant. It will, like well-planted seed, sprout and grow, and then put down roots, and finally be ready for harvesting and digesting. We take it in as seed, but it becomes a nourishing feast.

People who have had this faithful pattern of Scripture consumption have, over the years, transformed it into the spiritual muscle tissue of their lives. The word of God actually becomes part of who they are. This is our goal with the Bible reading challenge. Below is the schedule we will follow for the next several months. When we are done, we will have "consumed" the entire Bible.

May - Books of Wisdom (Ezra, Nehemiah, Job, Psalms, Proverbs, Ecclesiastes and Songs of Solomon)

June - Champions and Kings (Joshua – 2 Chronicles)

July - The Prophets of God (Isaiah – Malachi)

August - Books of Moses (Genesis – Deuteronomy)

September - Books of New Testaments (Matthew – Revelations)

We will have a Bible Reading Challenge Group meet next Sunday, following morning assembly. (May 15th from Noon to 1:00 pm.) If you want to bring a bag lunch or some snacks to hold you over, feel free. At this gathering we will discuss our progress and share what we have learned from our study. The information below is the basic outline we will follow:

How to: tools and other aids

Gains: personal gains and experiences

What you learned: fun facts, key moments and events, actions of the people involved, responses, God's intervention, key people, any applications.

Welcome Guests!

We're glad that you are here! We have a staffed nursery available during Sunday morning service, for children up to age 3, if that is something that will be helpful to you. There is also a training room, located next to the sound room, for parents with small children to use during any service.

We hope that you experience the presence of God in our assembly. If you have questions, feel free to approach one of our ushers, ministers, or elders. Please fill out a visitor card, found in the back of our songbooks and drop it into the basket when it is passed by. Thank you!

Sermon Summary

Carry The Load – Galatians 6:1-10

Relationships are God's idea. By nature, they involve more than one person. God's intent is that we can encourage, love and support one another in this journey we call life. When one walks it alone, it is difficult to bear all the challenge. When two or three walk together, they support one another and share the burden. What happens when we are in a relationship where only one person is carrying the load?

PM Speaker: Ben Cook

Question and Answer: The two questions we will take time to explore tonight are:

1. *Is Jeremiah 29:11 only contextual or can it be singled out to be used as our culture uses it - such as for graduation celebrations and as an encouragement verse? Also, I've noticed a difference in some versions. One used the word "prosper" and another "plans for welfare". Very different ideas.*

2. *A question about Joshua. He led the people all through these different cities and burned and killed everyone and everything in them basically. And I want to ask why is it okay to kill off all of those people and by God's instruction even?"*

These are great questions - and very timely, since our kids just finished studying Joshua for LTC!

Family News

Our summer intern will be here soon! He will need a place to stay close to Lakeview so he can be more involved in activities. He won't be staying with his parents in Olympia so he will have a full intern experience. Please contact CJ Mayo if you can help with either of these, or if you have questions.

Community Garden Updates... We are full. Every plot has a gardener, with the exception of a few of our raised beds. Raised beds are available for church or community members who are mobility challenged.

Rock Pile. Several church members have asked if the new rock pile is free for the taking. Yes. Yes. Yes. Please take it.

Help Needed. We need 3 different volunteers to take on some aspects this ministry. Two areas needed are oversight and maintenance of our orchard and oversight and maintenance of our herb garden. But we also would like to have a learning coordinator, who can network and line up our gardening classes. If you're interested in taking on one of these responsibilities, please visit with Ben Cook.

Senior Graduation Banquet... will be on May 20th at 7:00pm. The cost is \$15.00 a ticket. All graduates and their parents will be given a ticket, additional tickets can be purchased through Al or Carol Robison.

Congratulations to our Class of 2016 Graduates!!
