Sermon Summary

AM Speaker- Ben Cook

Rooting out Bitterness - Hebrews 12:13-14

People have often believed that age and bitterness go hand in hand, but that's just not true. Yes, the older we get, the more opportunity we have for our past to grow into bitterness. But bitterness is still a posture that we choose. What is bitterness? It's the long-reaching shadow of yesterday's anger, resentment, and disappointment. Bitterness is how your past can steal away your present. This morning we will explore some of the ways you and I can take care to never let bitterness take root.

PM Speaker- Dennis Baker

A Bridge to Resilience - Psalm 23

Life is full of both, times of refreshing and times of adversity. Times of refreshing give us the opportunity to prepare for adversity. When we faithfully navigate our lives, we prepare a path for those who follow.
