In 2017 our monthly Bible reading schedule will be in the bulletin, rather than on the calendar/birthday publication. This will not be a cover to cover reading; it will feature a monthly theme: January will be *God's Faithful Word of Life*.

To get the most out of your daily reading, remember to:

Pray - Ask the Lord to give you an open, receptive, and understanding mind to receive what He has for you.

Read the selected passage of Scripture slowly. Take note of intriguing words and phrases. Read them a second time.

Reflect - Think through what God is communicating to you at this point in your life. Write in your Bible or keep a journal. *Underline. Write notes in the margins. Highlight. Jot down questions, comments, ideas, connections, etc.* The Bible is the Word of God – and in order for you to make the most of it, you need to remember what you read.

Respond to the passage. When something stands out in your mind as important, commit it to prayer, take time to reflect, and apply the truth you've read to your life.

Day by day obedience and discipline will bring its reward as God's Word comes alive to you.

Sermon Summary

AM Speaker– Dennis Baker

The Second Incarnation of Christ - Titus 2:1-15

Some people see this idea similar to the second coming of Christ. But Incarnation is a term that means “in the flesh.” “The Word became flesh and lived among us,” captures the idea of incarnation. The second incarnation of Christ is really a play on words. Christ comes in the flesh in every generation when willing followers “put on Christ.”
