## Sermon Summaries

AM Speaker: Dante Huerta

### **Faith on Earth Daniel 7:13-14**

Life can be pretty lame. Suffering in the world and among the church is not on the decline. It can be demoralizing and disheartening and cause us to lose our joy. Yet God does not want us to live sad lives, but hopeful ones. This morning we'll explore what Daniel's vision means for God's people when they encounter hard times.

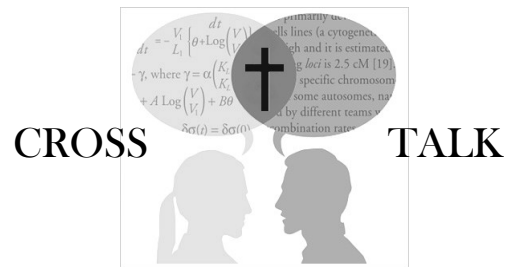

PM Speaker: Dennis Baker

### **The Great Confession** – Matthew 16:13-33

The question that Jesus asks His disciples, which is recorded in this passage, is the most important question in Scripture. The answer determines the focus of your life and the depth of your commitment. If Jesus really is the Messiah, the Son of the Living God, then having Him as Lord of my life is transformational.

## LAKEVIEW IRONMEN PROVERBS 27:17

Let's go fishing! June 10<sup>th</sup>, from 6:00-10:00 AM, at Silver Lake. Join us for a morning of fishing with your brothers. This is a **license free weekend** so no license is needed to fish. Catch limits and fish size requirements still apply. Talk to Jonathan Karkosky for more details.

We hope you will take advantage of all the Bible classes during the Summer quarter. On Sunday mornings, we are offering a smorgasbord of textual classes. These are of great value because the focus on the individual books will allow the study to be as contextual as possible. This brings a deeper understanding. On Wednesday nights, several different men from the congregation will be leading Bible studies on the different aspects of fellowship. Fellowship is a key task to the Christian faith and it is something in which we can all participate.

 Thank you to everyone who has provided meals for us during our time of loss. The response has been overwhelming. Your love, thoughtful words, and prayers are a blessing.  
*The Granberg Family*

Winda and I are thankful for the prayers for our daughter, Desi. We are thankful for the improvements she has made but still has a way to go. Our prayer is that the doctors can determine the abnormalities in her brain so they can help her. We would also like prayers for her husband, Jimmy, who has recently lost his grandmother, and his mother is in hospice. We pray for strength and healing. We know God is in control.  
*In Him,*  
*Ray & Winda West*

Thank you for your calls, cards, and especially your prayers during my surgery and recovery. I ask for your continued prayers as I begin another round of treatments for bladder cancer.  
*Joe & Ruth Behrent*
