Welcome Guests!

We're glad that you are here! Please fill out a Welcome Visitor card and place in the collection plate. Go by our welcome/information center (one on each side of the room) for materials that will better acquaint you with Lakeview.

For your convenience, during our Sunday morning services we do have a volunteer staffed nursery, for children up to age 3. There is also a training room, located next to the sound room, for parents with young children to use during any service.

If you have questions, feel free to approach one of our ushers, ministers, or elders.

Fall 2017 Class Schedule

Our new classes begin soon and I am excited for the possibilities to learn and grow. I wanted to highlight the changes that are taking place on Wednesday nights. We have been talking about *Why Not Wednesday* because we want to re-establish and build the habit of mid-week Bible study. We hope you will take advantage of the new class format for our kids. This will be a VBS style class for kids ages four to twelve. It will take place in room # 2 and it will begin on September 13th.

On that day, we will begin two classes for adults. These classes will help as a church in accomplishing two key tasks of Christians; evangelism and parenting. When we do these tasks well, the church of Christ is healthier, parents pass on their faith, and Christians are effective ambassadors for Christ.

Beginning Wednesday, September 13th

Room 4: *Passing on the Truth of Christ* – This will be a discussion about how to raise children who seek and hold on to Christ in their own faith. Ben Cook will be leading this discussion.

Auditorium: *The Disciples Path: The Journey* - The goal of this class will help us to become disciples that are mature and even be involved in making disciples that make more disciples. Christians were first called disciples, and it is important to reclaim that identity if we are going to be faithful followers of Jesus. Dennis Baker will lead this class.

Beginning Sunday, September 10th

Auditorium: *Real ID* – This class covers several important aspects of the identity of Christians as presented in scripture. Knowing our true identity helps us to live authentically. Len Otte will be teaching this class.

Room 4: *Wisdom and Character Development* - This study will explore the virtues for Christians (wisdom, justice, courage and temperance) and their impact upon character formation from select passages in the books of Ecclesiastes, Proverbs and Job. Craig Poole will be leading this class. (This is the first opportunity for Craig to teach a series of classes since he has been at Lakeview. Until recently, he has been a Chaplin on JBLM. Right now, while still assigned to JBML, he is working on some education goals and has time to share some of what he has been learning.)

Media Room: *Where Narratives Collide* – This is a discussion that will explore how God's will intersects with our will. Being created in the image of God means we have our own sense of self-determination. That sense is then informed by something; either the Word of God, or the narrative of culture, or a little of both. Dennis Baker will facilitate this discussion.

Sermon Summaries

AM Speaker: Ben Cook

The Man and Woman - Genesis 2:18-23

Last week, we took a look at the first of four relationships in the creation account: The relationship between man and creation. This week we will continue in Genesis, and look at the second keystone relationship: man and woman. This relationship has been the keystone of human civilization since before recorded history. Communities, neighborhoods, and even nations have been leveraged through fundamental relationship. Even now, as our national culture grows to resent it; the relationship between a man and woman has been a foundation of who we are as human beings. We will explore this together this morning.

PM: **Zambia Medical Mission Report**

Lakeview had 4 members who traveled to Zambia, Africa to serve communities with medical care in addition to the gospel. This evening we will have a brief devotional time, then spend the majority of our time with a forum-style report. You will get a chance to ask questions of our mission team about what they saw and experienced!

September 17th is Bond Sunday

This will be your opportunity to ask questions and start purchasing bonds.

If you'll be staying for the presentation, please sign-up for lunch so we can plan. Sign-up sheets are on the table by the new plans for our Congregation.

Food & Clothing Bank...

August has quickly come to an end, with *you* feeding 49 families; equalling 140 hungry people. At this time we are not needing any more summer clothing or hangers, but we are always in need of children's clothing.

The Food bank is running short on: Baked beans, corn bread, small boxes of bisquick, small bags of sugar, small jars of peanut butter and jelly, soup and cold cereal.

As always, we so appreciate your willingness to give so that we can be a resource for our community!

Last Sunday for Backpack Supplies!!

Please bring all donations to the church by today. School has started for the Franklin Pierce School district and we will be passing out backpacks on Tuesday. We know the kids and parents appreciate you. Below you can find a list of things that are needed:

#2 Pencils
Glue Sticks (single or packs)
Spiral Notebooks
Erasers
