

We have been talking at Lakeview about trying to open up opportunities for digital giving, and starting today, we can finally say that we are ready! If you've been eagerly anticipating this moment, you probably don't need to read anymore, except to figure out where to go to set it up. So skip to the end.

But if you've got some concerns about this move, I want you to know first and foremost: this will not affect you unless you choose to sign up. We will still pass trays every Sunday, and that will likely never change. This is one more tool that we want in our toolbelt as a church, and as Christians.

Think about it. Most of us automatically pay our mortgage, our garbage, our water and sewer through an automated digital system. In fact, your bank prefers if you automate your payments because you are much less likely to default.

For my family; we began to really wrestle with how we give when we started taking Dave Ramsey's Financial Peace class. It's not that we didn't already give; but Dave challenged us to **give to God first, and let everything else come after.** *As we learned to be more disciplined with our money I became frustrated with our giving. Every bill we had was paid automatically except for our giving. Anytime we had a tight month, we could potentially just give less. That meant God was not getting the firstfruits of my money, He was getting the leftovers.*

Even though Oregon City didn't have digital giving setup, we chose to automate things. We authorized our bank to issue a check and mail it to church every week. From that moment on, we became more consistent givers than your grandma. Since that day, our financial crises have never resulted in giving less to the Lord.

It is the hope of our elders that this technology will help you in a similar way. It is our effort for the church to keep pace with current financial tools, and help you to be disciplined with what you have set aside for the Lord. Some of us may never order another checkbook again!

If you want to set your household to give digitally, you can find a link on our church website (lower right). A few things upfront: Yes, this is a secure website. No, Lakeview is not processing your information directly. We are using a service "SK Giving" that is a part of a larger church technology company (Servant Keeper). Their expertise ensures the security of your financial information.

Welcome Guests!

We're glad that you are here! We have a staffed nursery available during Sunday morning service, for children up to age 3, if that is something that will be helpful to you. There is also a training room, located next to the sound room, for parents with small children to use during any service.

We hope that you experience the presence of God in our assembly. If you have questions, feel free to approach one of our ushers, ministers, or elders. Please fill out a visitor card, found in the back of our songbooks and drop it into the basket when it is passed by. Thank you!

Self Control: Greed and Generosity - 2 Cor. 9:6-9

Greed and generosity run on a scale, and it seems like greed is getting a lot of air time these days. It is the subtext of many political platforms right now. "If I'm elected, I'll stick it to those greedy politicians/big businesses/wealthy, etc.."

Greed is nothing new in the world, but generosity is the hallmark of God's people. Make no mistake - generosity does not just happen one day. Some of the most generous men and women I know are generous because they are disciplined, and have learned self-control.

Dignity in Death – 1 Samuel 31

The end of Saul's life is a tragic episode. It is not because he died a violent death; we read of many such deaths in scripture. It is not because he suffered; others have suffered more. It is because it was so needless. Everything he tried to escape, met him at the end. It is always that way. Any running from God is a short race. It is much better to *fear God and obey His commandments, for this is what it means to be human.*

When you create a login, you will be able to give a one-time gift, unless you choose the option for automatic recurring donations. The interface is very intuitive and very easy. Because your debit cards work through Mastercard/Visa, it is possible to link a credit card, instead of a debit card. Please don't do this. Don't give to God on credit.

The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work.

-2 Corinthians 9:6-8
