Today's CrossTalk deals with some news and notes regarding the work at Lakeview. The first item I want to address is our bible classes on Wednesday night and Sunday morning. It's our desire that everyone be involved in our bible classes, and as a way to increase that, we wanted to get some feedback and offer the opportunity for input. On a separate sheet of paper, please answer the following questions:

- If you attend bible classes already, why do you attend and how does this involvement benefit you?
- Can you suggest any ways the bible classes could improve, either for the children's classes or the adult classes?
- If you do not attend, can you share the reasons why.
- Can you suggest any ideas that would help build your interest or make it more likely that you would attend?
- What bible class topics would you be interested in studying? Please offer five to ten ideas.
- Who are some teachers you would like to see lead studies?
- How would you rate or evaluate our present teachers?
- Who have you learned the most from? Do you have any other comments about our bible class teachers?
- How relevant have our bible classes been to your needs? Please Explain.

You can give your paper to Dennis or put it in the little white box on the wall near the member's picture directory in the back of the auditorium. Your feedback is important to me. We all have skin in the game when it comes to having a congregation that honors God and is effective in carrying out the mission.

The second item I would like to address is the Rescue Mission Project. This is valuable for us to support because the goal is to build relationships and be able to offer hope for people stuck in their addictions or in a cycle of negative circumstances. We can make a difference in supporting this program with our sharing of faith and God's love. Visit the Tacoma Rescue Mission website to see all they do. Thank you to Bob and Ann Riley for the positive, compassionate example they set for the rest of us. Thank you to all those who practice faith by serving in this project. We serve on the third Friday of each month, meeting at Lakeview at 5:30 PM. However, for the month of April, due to the LTC Convention, we will be changing our week to the fourth week. That we be Friday, April 27th. Please note this change in your calendar.

Welcome Guests!

We're glad that you are here! We have a staffed nursery available during Sunday morning service, for children up to age 3, if that is something that will be helpful to you. There is also a training room, located next to the sound room, for parents with small children to use during any service.

We hope that you experience the presence of God in our assembly. If you have questions, feel free to approach one of our ushers, ministers, or elders. Please fill out a visitor card, found in the back of our songbooks and drop it into the basket when it is passed by. Thank you!

Sermon Summary

AM Speaker: Lanny Tucker

What's Your Legacy? Jeremiah 17: 5-8

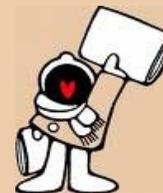

Lanny is a regional representative for Easter European Missions, which we have supported in the past.

PM Speaker: Dennis Baker

The qualitative difference between people of faith and people without faith is the existence of joy. This is a state of mind that is not dependent on circumstances. When people without faith have challenges, happiness flees. Scripture suggests something different; that we can have joy in the challenges. The difference? Happiness demands something, joy brings something.
