

30 Day Bible Reading Challenge

Brother Dennis and I have been working together to bring the Lakeview congregation the 30 Day Bible Reading Challenge. Over the next several months, we will make available several of the different 30-Day Challenges that span the whole bible. We have set up a display board by the Training Room that contains the reading schedules. They are free for each member to pick up a copy for their participation. We also have a handout that summarizes the bible. The following is the plan, or path we want to follow in this reading challenge.

Challenge Plan

April - To end the month of April; *The Whole Story of the Bible in 16 Verses* highlights key Bible passages that are pivotal in the Bible's story line—enabling readers to see God's incredible plan from beginning to end. We have added four verses to emphasize the role of God's Word in our lives. The idea is to commit these 20 verses to memory.

May - Books of Wisdom

June - Champions and Kings

July - The Prophets of God

August - Books of Moses

September - Books of New Testaments

Goals and Objectives

The word of God is the only offensive weapon in our spiritual arsenal.

- * We are in the midst of a tenacious battle and the enemy is advancing to our ranks daily, knowing how to use the only offensive weapon we have could save our lives.
- * We cannot hold our defenses if we don't know the word of God and hence have no offensive readiness.
- * Enriching each individual enriches each household, the church, and hopefully our country.
- * Enriching our knowledge means we discover our roles and translate that into actions.
- * The church benefits because we become alert and engaged making evangelism and other duties in the Lord's Body become shared responsibilities.
- * Build a lifelong habit of daily scripture reading.
- * Meet once a month to share our successes and growth.

Please join us in this challenge and let us enrich our familiarity with the Father and strengthen our fellowship with him and our brethren.

-Chris Baidoo-Essien

Welcome Guests!

We're glad that you are here! We have a staffed nursery available during Sunday morning service, for children up to age 3, if that is something that will be helpful to you. There is also a training room, located next to the sound room, for parents with small children to use during any service.

We hope that you experience the presence of God in our assembly. If you have questions, feel free to approach one of our ushers, ministers, or elders. Please fill out a visitor card, found in the back of our songbooks and drop it into the basket when it is passed by. Thank you!

Sermon Summary

AM Speaker: Ben Cook

The Secret Sin - James 1:14-15

The shame still exists, but the secret is out. Our country has a serious problem with lust, and so does the church. It's so pervasive that attitudes about pornography are relaxing, but please, don't dismiss it because it's a common struggle, and don't buy into the idea that you are a product of your culture. You are a product of the Spirit of God.

Perhaps the hardest lessons to preach are the ones about self-control because they're the bitterest pills to swallow. James makes a great observation in James 1. Sin is not the product of our culture. It's not the product of a malicious God, nor even a cantankerous Devil. Sin is the product of our deepest desires, and those desires will master us, if we do not master them.

PM Speaker: Sean Sellers

Tonight, Sean Sellers will give us a report on how things went for them while they were serving in the Philippians.

Kristen McIvor is the director of Harvest Pierce County's community garden program. She is much of the reason Pierce County has 80+ community gardens.

She came out on site to the Lakeview garden for the first time since we broke ground last spring. She said that she's never seen a garden develop so quickly, and last year was a bit skeptical about our proposed timeline. She also said it's apparent that we have an *incredible* support system behind this garden.

She's right. That's the generosity of God's people at work. Generosity of time, money, and prayers. Thank you Lakeview!

Family News

Our summer intern will be here soon! He will need a place to stay, and a loaner car would really make his work here easier. Please contact CJ Mayo if you can help with either of these, or if you have questions.

Marilyn Likens has begun radiation and chemo at Madigan Hospital. Rachel is looking for people to help take her and bring her home. Marilyn will have appointments 5 days a week and whoever helps will need an enhanced license or passport but, with Marilyn in the car, you won't have to stop at the Visitors Center. If you can help, please call Rachel at 253.279.5551 or email at rlikens2@hotmail.com.
