We are approaching several deadlines as we get full into the summer months.

DELANO SUMMER CAMPS - First, put on your prayer list all of the different camps that our young people will be attending this summer. The first camp begins this weekend, with STS (Senior Teen Session). Visit the Delano website for future dates. If you are thinking about having your kid(s) attend one of the camps, it is not too late (except for STS and of course, at this point, there may be a late fee for some of the camps). Pray also for our adults who will be supporting the camps as cooks, kitchen staff, counseling staff or leading (Ben, Brandon and Jeff). Several of our young people will also be serving at the camps this summer. Delano is a great place to get involved!

FaithBuilders Northwest – There is still plenty of time to register and attend this Christian growth workshop for churches of Christ in the northwest. It is hosted on the PLU campus and directed by the Puyallup and Springbrook congregations. The dates are July 7-9, 2016. Visit faithbuildersnw.com for registration information and program details.

Just Want Privacy Filing Deadline – This is the last weekend for you to sign the Initiative 1-1515 petition. It deals with common-sense legislation that recognizes the need for gender-segregated public shower and changing room facilities. It also establishes civil liabilities when the current ruling is violated by those who want to hurt woman and children in public shower and changing areas where privacy and safety should be guaranteed. Petitions are in the back of the Auditorium.

Welcome Guests!

We're glad that you are here! We have a staffed nursery available during Sunday morning service, for children up to age 3, if that is something that will be helpful to you. There is also a training room, located next to the sound room, for parents with small children to use during any service.

We hope that you experience the presence of God in our assembly. If you have questions, feel free to approach one of our ushers, ministers, or elders. Please fill out a visitor card, found in the back of our songbooks and drop it into the basket when it is passed by. Thank you!

Sermon Summary

AM Speaker: Dennis Baker

Our Blood Type is Be Positive - 1 Thessalonians 5:16-18

Growing as a Christian is a process of identifying, removing and replacing. We identify, through our study of scripture areas where we need to change. We pray for wisdom and insight on how to remove those things that need to change, and seek the Holy Spirit for the power to replace. We have had a few discussions on overcoming fear. It is not enough to overcome fear. We have to replace the fear with optimism.

PM Speaker: Dante Huerta

Come Genesis 11:1-9

It's always special to be invited to something. Invitations make people feel wanted, needed, and important. God makes it clear that He wants to be invited into your life. Is He welcome to come in?

Serving at the Tacoma Rescue Mission on the 3rd Friday of each month. To join us, meet at the Lakeview building at 5:30 pm.
