Go by our welcome/information center (one on each side of the room) for materials that will better acquaint you with Lakeview. For your convenience, during our Sunday morning services we do have a volunteer staffed nursery, for children up to age 3. There is also a training room, located next to the sound room, for parents with young children to use during any service. If you have questions, feel free to approach one of our ushers, ministers, or elders.*

The formation of spiritual truths and practices in believers is the goal of the New Testament Church. The church as a whole should be fulfilling the Great Commission of making disciples by baptizing and teaching. That means that individual activity should contribute to the goal. If we are Christians, we are already saved. What follows is the process that unfolds in the life of the growing disciple. As we grow as individuals, we should keep these four truths in mind:

Growth is possible. Every believer has an opportunity and potential to experience a spiritual focus in life. God wants to see all Christians become mature. No one is left out of that plan. If someone is not growing spiritual vitality, there is a reason.

People are responsible for their spiritual growth. Individuals may accomplish different functions of leadership and teaching in the Body of Christ, but ultimately the believer holds the responsibility of their own growth. The responsibility of the leadership and teachers is to create an atmosphere where growth can occur.

Growth occurs best in community. Many have expressed that significant spiritual growth happened in the context where people are engaged in committed, healthy and intentional relationships with other believers wanting to mature. Iron does sharpen iron. Disciples make disciples. If you want to grow spiritually, consider who should be on your team or group committed to making disciples.

Having a personal desire for spiritual growth is the key. When a person gets excited about his or her personal walk with Christ, they will want to get to know Christ better. The more they know Christ the more they will want to be like Him. Jesus said the person who hungers and thirsts for righteousness will be filled. Be ready to share your story to inspire others.

In our time of transition to becoming a Small Group Church, this article is very relevant. Each Life Group is to be a place where people can become mature believers, not lacking anything (James 1:4). They need to be a place where people can hear and see God. God is the teacher...We create the classroom. I hope that each of you are planning to be involved in a Life Group. Today we begin the important task of training leaders for this ministry. That training will take place in Classroom # 4.

A Time to be Silent - Ecclesiastes 3:1-8

There's a quip (or maybe a proverb?) that goes like this: *"It's better to be silent and thought a fool than to open your mouth and remove all doubt."* People have attributed the quote to Mark Twain, Abraham Lincoln, and several others. Whoever said it first probably has infringed on God's intellectual property. Proverbs 17:28 says *"Even a fool who keeps silent is considered wise; when he closes his lips, he is deemed intelligent."* In an age of oversharing - we will take a look at the Biblical counsel about when NOT to talk.

PM Speaker: Dennis Baker

Is Life Worth Living? – Philippians 1:12-20

This question is often asked by people because in their heart of hearts, as they view life through the lens of their own lives, they think the answer is a resounding *no*. I used to feel that way. I asked myself this question when I was 20 years old and found the answer in the death of Christ. For in the death of Christ, we find life.
