Welcome Guests! We're glad that you are here! Please fill out a Welcome Visitor card and place in the collection plate. Go by our welcome/information center (one on each side of the room) for materials that will better acquaint you with Lakeview. For your convenience, during our Sunday morning services we do have a volunteer staffed nursery, for children up to age 3. There is also a training room, located next to the sound room, for parents with young children to use during any service. If you have questions, feel free to approach one of our ushers, ministers, or elders.

Life Groups have blessed the Lakeview family in many ways. Over the last six months we learned a lot about how to conduct Life Groups and learned a lot about one another. We are currently preparing our leaders in the class that

meets in the Library on Sunday mornings. If you are interested in leading a Life Group in the future, please talk to me (Dennis Baker). This coming Sunday, the topic will be, *Invite Newcomers to Your Life Group*.

Faithful Christians need opportunities for worship, study, fellowship, and mission. Life Groups are essential to Lakeview becoming a more vibrant church. We urge you to resolve to join a Life Group in 2019. It will change your outlook and might even be a catalyst for change in your life. Sign-up's for Life Groups will take place during the month of January and then begin in February. LIFE GROUPS CHANGE LIFE!

Teen Ministry Team Meeting

On December 2, we had a good *working lunch* to talk about plans that concern Lakeview Teens and their families for 2019. After talking about the mission and goals, we talked about some specific events and activities that we would like to see and support for the coming year. The team was then broken down into working groups to handle the different responsibilities; what others might call *logistics*.

I ask for forgiveness regarding forward movement with the things we decided. Hildred's passing has caused Lanita and I to process another difficult season in life. Getting refocused and organizing tasks has been a challenge. We are reminded that in all we face, God is good and he is working toward our good.

I will get meeting notes to everyone soon and I encourage you to connect with your working groups and determine how to accomplish the tasks.
